All competitors are required to be at their starting tee 10 minutes prior to their start time. This is to allow the starter to provide pin positions, local rules and additional information to each player. This also ensures that all team members are present and able to start on time.

NOTE: When either Professional or the team are subject to a two-stroke penalty for lateness on the tee, the team total for the first hole will be adjusted by two shots prior to any penalty being added to the score for that hole.

All competitors will be permitted to ride in buggies or appoint caddies for the practice rounds and both rounds of the Pro-Am.

Recording of Scores

All scorecards for rounds 1, 2 must be returned by the Professional to the recording area situated within the Tournament Office immediately after the play.

Rulings & Doubt as to Procedure

There will be R&A Rules Officials on the course at all times to deal with any disputes. If, however, there is no Rules Official present the player may invoke Rule 20.1c (3) - (two ball rule). The player must nominate the ball with which he wants to score, should the rules permit, and report the facts to Tournament Committee immediately after the conclusion of play. Failure to do so will result in disqualification.

Distance Measuring Devices

All competitors will be permitted to use distance-measuring devices provided they measure distance only. If a player has any doubt as to whether a device is conforming, they should seek the advice of a R&A Rules.

Slow Play

For everyone's enjoyment we ask for each team to "keep up with the team in front, and not in front of the team behind". If a player is not going to score on a hole, he/she is requested to please "pick up". A pace of play will be in place for the duration of the tournament. This will be detailed on the scorecard. It will be the professional's responsibility to ensure that the team's pace of play adheres to the guidelines of the Chief Referee.
